## **GEORGIA DOT CREWS SCHEDULE S.R. 32 BRIDGE MAINTENANCE WORK IN COFFEE COUNTY**

**WHEN:** Tuesday, September 20.

**WHERE:** S.R. 32 bridge over Lewis C. Adotter Creek in Coffee County.

**WHAT:** Georgia DOT Maintenance crews have tentatively scheduled maintenance work on the S.R. 32 Bridge over Lewis C. Adotter Creek in Coffee County. Work is tentatively scheduled between 7:30 a.m. and 5:30 p.m., Tuesday, September 20, weather permitting.

A single lane closure will be in place on S.R. 32 between mile markers 19 and 21 in Crisp County. Motorists should reduce their speed in these maintenance work zones.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone.
